

LuxElite

Quality is measurable

Made in Germany

Plant specific light spectrum

World's leading arc tube
with inductive antenna

Glass with
anti absorbance effect

Silver plated power contact
 $\sigma = 61.39 \times 10^6 \text{ S/m}$

Ultra precise & stable
component holder

Highest PAR output

Super lumen proof*
*with compatible EM & EL ballasts

Made in Germany

The growth formula finally solved

Professional horticultural lighting
